Fort Valley Municipal Election.

FORT VALLEY, Ga., Feb. 16.—The primary election for municipal officers here resulted as follows: For mayor, A. D. Skelton; aldermen, H. A. Matthews, J. M. Culpepper, O. G. Singleton and Sidney Bassett. This ends one of the most heated contests ever known in Fort Valley.

Persimmon Wood Industry.

ABBEVILLE, S. C., Feb. 16.—A result of the location of factories in the upper part of South Carolina is the shuttle and bobbin factories, which use the persimmon wood, giving to it a value which it never before had. Large quantities are sold at the station here at about \$7 a cord.

Diamonds in Tennessee.

KNOXVILLE, Feb. 16.—A 2-karat diamond in the rough was brought to this city from Lattrell, a small town a few miles north of here, and sold to a local jeweler. It is declared to be of fine water and is the second diamond found in this vicinity in the last few months.

"After doctors failed to cure me of pneumonia I used One Minute Cough Cure and three bottles of it cured me. It is also the best remedy on earth for whooping cough. It cured my grandchildren of the worst cases," writes Mrs. Betty Logan, Pa. It is the only harmless remedy that gives immediate results. Cures coughs, colds, croup and throat and lung troubles. It prevents consumption. Children always like it. Mothers endorse it. Hargis' Pharmacy, John Sheppard, S. Kahn.

THE OYSTER SEASON. The oyster in his bed of ooze. Waked with a start from his summer nap. Opened his shell, and said, with a yawn: "I fear that our season of safety is gone. For my pleasant dreams were disturbed by the jar. That is always caused by the letter R. And I know by the feel of that hideous sleep. That some of us shortly will be in the soup." And so they will, for the sleep was filled with the finest and fattest. This sleep was sent out by Nick Apostle and these choice oysters are now for sale, done or raw, ready to chew, at his restaurant. You can get them by the plate, dozen, hundred, barrel, dry load, wagon load or car load. Owing to the rush of business the serving of regular meals will be discontinued after this week, but special orders will be served at any hour of the day or night.

UNCLE SAM IGNORED THE PROPOSITION

Must Avoid an Alliance With Foreign Nations.

ROSEBERRY PREMATURE

United States Is Not Yet Ready For a European Entanglement—Speculation as to Foundation For the Statement.

WASHINGTON, Feb. 16.—Administration officials are circumspect in discussing the statement made by Lord Roseberry that Great Britain in December approached the United States and Germany in regard to the advisability of forming an alliance.

It is understood, however, that intimations were conveyed to this government by the British authorities of their desire that the relations between the two governments should be closer and in the nature of a compact, but the administration turned a deaf ear and made it plain that the United States could not abandon its policy of nonentanglement in European affairs.

It is stated that the overtures were not in the form of formal suggestions, but even if they had been it is unlikely that they would have met with a cordial response from the president.

Considerable curiosity has been awakened as to Lord Roseberry's reason for making public the fact of Great Britain's desire to enter into an alliance with the United States and Germany and the steps she took to that end. It is thought by some that the statement was determined upon by the British cabinet as an answer to Mr. Macrum's statement that "he did not know that an alliance existed between the United States and Great Britain" and to dispose of the charges made by anti-administration politicians that such an alliance does exist in fact. The suggestion that such a statement should be made certainly did not come from Washington.

Melba's Engagement a Hoax.

BERLIN, Feb. 16.—The report published in the United States yesterday that the newspapers here have announced that Madame Nellie Melba, the Australian diva, is engaged to Dr. Joseph Joachim, the violin virtuoso, is wholly untrue. Dr. Joachim is now in Italy, but will return about the middle of March. An intimate friend, Councillor Blankenburg, said to a correspondent here of the Associated Press today: "The news of the betrothal is absolutely groundless. Not a single Berlin newspaper announced the engagement. Dr. Joachim recently lost his wife and is himself a feeble septuagenarian."

She Died For Him.

CHARLESTON, Feb. 16.—Because she disagreed with him on a warm discussion about love, James Brown, a negro, shot and instantly killed his wife in the phosphate mining district, near Charleston. The discussion occurred at the dinner table. Brown said that if a wife loved a husband faithfully she would die for him, while a man might love as many women as he pleased and die for none. The woman said that she would not die for any man, whereupon Brown was said to have reached in a corner for his shotgun and fired. The woman's brain was scattered over the floor. Brown made good his escape after the murder.

Beware of Ointments for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surface of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

GOLD DUST.

"Housework is hard work without Gold Dust"

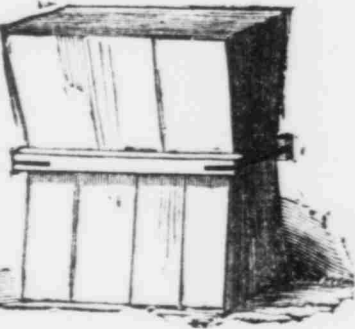

To Clean Matting

Few things can be used to clean matting: salt and soda have been used, but experience has taught that the best way is to have the matting thoroughly swept and then go over it with a solution of warm water with

Gold Dust Washing Powder

dissolved. With it is best to use a wooden cloth: a tablespoonful of Gold Dust Washing Powder to a quart of water is the proportion; wring the cloth almost dry and rub quickly, but the moment the water gets dirty, change it for fresh; then follow the wet cloth with a dry one. This will clean it perfectly.

The above is taken from our free booklet "Washing with Gold Dust." Write for it on request to THE W. K. FAIRBANKS COMPANY, Chicago, St. Louis, New York, Boston.
